Our Core Connectivity Brand

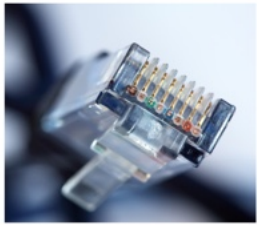

You Desire We Deliver

DME PROLINK, the Data Communications Division of ECS Global Wire & Cable, offers comprehensive connectivity and structured cabling solutions.

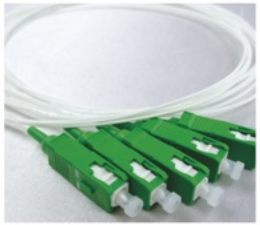

As the authorized dealer of DME PROLINK in the MENA region, Ultra Stream Technologies is proud to deliver reliable, high-performance networking solutions that empower seamless communication across industries.

A Key Brand in Our Product Line

TELTONIKA

Powering Smart Connectivity

TELTONIKA, a global leader in IoT and networking, delivers innovative solutions that drive seamless communication and intelligent connectivity. Specializing in industrial-grade routers, switches, and gateways.

As an authorized dealer of TELTONIKA in the MENA region, Ultra Stream is committed to providing robust and secure networking solutions that empower businesses to stay connected, efficient, and future-ready.

Smart Networks Start with Ubiquiti

UBIQUITI

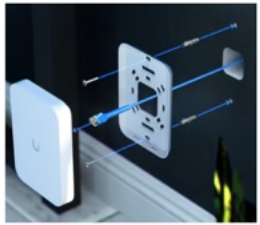

Powering the Future of Wireless Networking

UBIQUITI is a global leader in wireless networking and communication technologies, delivering cutting-edge solutions that redefine connectivity. Ubiquiti includes access points, routers, switches, and surveillance systems designed for both enterprise and residential environments.

As an authorized dealer of Ubiquiti in the MENA region, Ultra Stream is proud to offer reliable, and high-performance networking solutions that empower seamless wireless communication and next-level user experience.

Excellence in Cabling & Active Products

D-Link

Trusted Name in Networking Solutions

D-Link is a global leader in networking technology, offering a wide range of innovative products and solutions. From routers and switches to security and wireless solutions, every product is engineered for reliability and seamless connectivity.

As the authorized distributor of D-Link in the MENA region, Ultra Stream is proud to provide high-quality solutions that empower to stay connected and operate efficiently across industries.

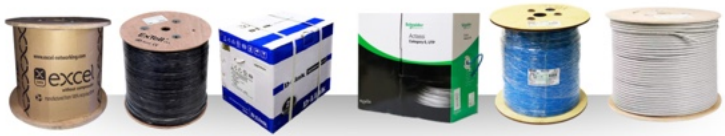

Strength in Every Connection

Leading the Way in Structured Cabling Solutions

We take pride in offering structured cabling solutions from the most trusted brands — D-Link, DME PROLINK, Datacom, Belden, Schneider, Corning, Extell, Excel, Norden, Panduit, Commscope, Systimax, Nexans, and more.

From copper and fiber solutions to end-to-end connectivity systems, our portfolio ensures reliability, scalability, and seamless integration. As a key distributor in the MENA region, We empower enterprises with future-ready cabling systems that form the backbone of efficient and intelligent networks.

Smart Collaboration Starts Here

PeopleLink HUAWEI MAXHUB H3C Magic

Revolutionizing Next-Gen Interactive Displays

PeopleLink, Huawei IdeaHub, Maxhub, and H3C MagicHub bring innovation and intelligence to modern workplaces with advanced interactive display technology.

As an authorized dealer, Ultra Stream Technologies proudly delivers cutting-edge interactive screen solutions that empower organizations to connect, present, and collaborate effortlessly whether in classrooms, boardrooms, or remote hybrid environments.

Smart Communication Starts Here

GRANDSTREAM AVAYA CISCO Yealink Yeastar SNOM

Trusted Name in Business Communication

Leading the way in modern communication, our range of IP Telephony brands — Grandstream, Avaya, Yealink, Yeastar, Snom, Fanvil, and Cisco — deliver powerful, scalable, and high-quality voice and collaboration solutions.

As a trusted supplier in the MENA region, Ultra Stream Technologies is proud to provide businesses with innovative IP telephony solutions that simplify communication and enhance productivity across industries.

Redefining Security Through Vision

HIKVISION dahua UNV CP PLUS BOSCH Tiandy

Empowering security with leading brands

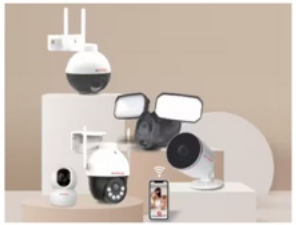

At Ultra Stream Technologies, we bring together leading CCTV brands — Hikvision, UNV, CP Plus, Dahua, and Bosch — to deliver innovative, high-definition, and reliable security solutions tailored for every business environment.

As a trusted supplier in the MENA region, we are committed to providing intelligent surveillance systems that strengthen security, improve visibility, and drive operational excellence.

Ultra's Power That Never Fails

APC salicru ExTell EATON ITA POWER

Uninterrupted Power | Unmatched Reliability

At Ultra Stream Technologies, we bring together leading UPS brands — APC, Extell, Salicru, Eaton and ITA Power — to deliver reliable, efficient, and high-performance power backup solutions designed for every business environment.

As a trusted supplier in the MENA region, we are committed to providing uninterrupted power systems that ensure business continuity, protect critical equipment, and enhance operational reliability.

Innovation at Your Fingertips

Your Trusted Partner in Computing Solutions

HP, DELL, LENOVO, and ASUS — world-renowned leaders in performance and reliability designed to meet every needs. From sleek professional notebooks to powerful enterprise-grade workstations and customized PCs , these brands combine durability and speed to drive productivity in modern workplaces.

As a leading supplier in the UAE, Ultra Stream provides authentic, high-performance computing solutions tailored for businesses, education, and government sectors.

Our Mission and Vision

Mission

Our mission is to deliver the best value and volume proposition to our clients and partners by following a proactive approach to product marketing and distribution, thereby becoming the partner of choice.

Vision

Our vision is to be a leading IT distributor in the Middle East and Africa, serving a wide range of industry verticals such as Oil & Gas, Security, Construction, Hospitality, Government, and Telecom. We believe in bringing best-of-breed technology to our clients' doorsteps and enabling them to extract maximum potential from innovative products for enhanced business efficiency and scalability.
